REQUEST FOR REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Attention: MAIL STOP – REFUNDS

Sir:

This is a request for a refund of a filing fee, in the amount of \$502.00 (\$385 for the filing fee and \$117 for the extra claims fee), that the PTO charged to our Deposit Account No. 22-0261 on November 12, 2003. This charge was in error, since the filing fee had previously been paid to the PTO by check at the time that the continuation-in-part application was filed on July 30, 2003. A copy of the PTO date-stamped receipt, indicating the filing of the continuation-in-part application and submission of the accompanying filing fees, is attached, along with a copy of the PTO's November 2003 Deposit Account Statement to our firm, highlighting the two charges in question.

On October 28, 2003, the undersigned filed a Request for Early Notification of Serial Number (copy attached, along with the PTO date-stamped receipt), since the postcard that

* This is the first serial number assigned to the application; the second serial number assigned to the application is 10/694,182. The original filing date was July 30, 2003; the second filing date was October 28, 2003. The first Confirmation No. was 6179; the second was 9893. The first Group Art Unit assigned was 2188; the second was 2161. The first Examiner indicated as having been assigned to the application is Mano Padmanabhan; the second is Safet Metjahic.

Applicant: Jürgen ANGELE
Application No.: 10/629,587

accompanied the application was not returned. A copy of the continuation-in-part application was attached to the Request, along with a copy of the PTO date-stamped receipt, to verify that the application was filed and received on July 30, 2003. Apparently, the inclusion of the previously filed continuation-in-part application with the Request for Early Notification of Serial Number was mistakenly determined to be a new application for filing, and was subsequently assigned a new application number, filing date, confirmation number, art unit, and examiner.

Also attached to this Request is a copy of a Letter that was filed with the PTO on June 1, 2004, requesting the cancellation of application number 10/694,182 and filing date of October 28, 2003, and the reinstatement of the originally assigned application number 10/629,587. Also attached are two pages from the PTO website, one showing the correct application information and the other showing the incorrect information.

It is respectfully requested that the filing fee, totaling \$502.00, that was charged to this firm's Deposit Account No. 22-2061 on November 12, 2003, be refunded by crediting that amount back to our Deposit Account.

Respectfully submitted,

Subsequently, the undersigned received an Official Filing Receipt mailed October 29, 2003, a Notice of Recordation mailed February 24, 2004 and Notice of Publication of Application received February 24, 2004.

The undersigned received an Official Filing Receipt mailed January 27, 2004 assigning a new Serial Number 10/694,182 and a new filing date of October 28, 2003. The undersigned later received a Notice of Publication of Application received February 24, 2004. The resubmission of a copy of the Continuation Application was not intended to be a new application, but was resubmitted in support of the Request for Early Notification of Serial Number.
